

### L2H-SMARTKETTLE

#### Description

4 pre-programmed temperature buttons (70,80,90,100°) and modes to tell you which temperature to select for which type of beverage. It heats to the selected temperature, turns itself off and, if selected, will even keep warm for 2 hours after heating. It features a push button, soft opening lid to prevent hot water splatter, 1.7 L cord free jug with 360° rotation, concealed STRIX element and a removable and washable scale filter.

#### Features

- 220-240V - AC 50-60Hz 3000W
- Capacity 1.7 liter
- 360° rotation
- Concealed Strix heating element
- Automatically turns off at desired temperature
- On/off switch indicator light
- Removable and washable water filter
- 70, 80, 90, 100°C quick button selection
- Keep Warm Function (2 hours)
